Title: Fantasy Mosaics 23: Magic Forest

Genre: Casual, Indie, Strategy

Developer:

Andy Jurko

Publisher:

Andy Jurko

Release Date: 26 Jul, 2017

a09c17d780

English

---

Since "Fantasy Mosaics 23: Magic Forest" is basically identical to all its predecessors in the series, I'm simply copying/pasting my previous review(s). It's simply 100 fine, colorful nonograms that took me 8.9 hours to complete. Even at the list price of almost \$7, it's worth it.
